

6th October 2026

Ref: E26-TM-0011

To all valued partners and members,

Re: ELITC Charity Month'26

We are delighted to announce the ELITC Charity Month 2026, a meaningful initiative dedicated to giving back to our community. This year, we are proud to introduce the theme **"Innovating for Compassion"**. The theme reflects our belief that just as technology transforms lives, so too can kindness and collective action. We are inviting like-minded organizations to send your employees to any of our courses* in the month of December'26, and we will donate 15% of the course fees to the **Singapore Heart Foundation**.

Purpose and Intent of ELITC Charity Month'26:

- To foster a spirit of generosity and social responsibility within our Centre and across the industry.
- To raise funds and awareness to support the underprivileged communities.
- To empower staff, trainees, and industry partners to embrace innovation with compassion for enduring change.

Throughout the ELITC Charity Month, we will host a series of events, workshops, and activities designed to inspire and strengthen our bonds as a community. We warmly invite all industry companies to join us in this collective effort, demonstrating how collaboration between training and industry can make a difference.

Together, we can channel our creativity and resources toward meaningful causes and make ELITC Charity Month 2026 a resounding success.

We look forward to your enthusiastic support and participation. Thank you.

Best regards,

Neo Aik Khiong
Managing Director
Electronics Industries Training Centre (ELITC)

**Exclude Diploma, Certificate and IAP courses. The center reserves the right to decide what is deemed appropriate to the interest of the center.*
